

Brian E. Pryor

**Director and Executive Vice President
Touchmark**

As a Director of Touchmark, Brian works with other leaders to guide the company's development and overall management. In his role as Executive Vice President, Brian provides leadership and management of Touchmark's health services, including home health and home care, skilled nursing, assisted living, memory care, and health and fitness clubs. He also leads the company's corporate compliance and risk management responsibilities as well as oversees two communities in Washington and one in Idaho.

Brian began his tenure with Touchmark in 1986. Prior to his current role, he held many positions of responsibility, including Purchasing Director, Nursing Home Administrator, Regional Director of Operations, and Vice President of Nursing and Home Health Divisions. As a result of Brian's entrepreneurial initiatives, numerous and valued services and programs have been developed in Touchmark communities.

Brian is active in the community and over the years has served on a variety of health care and service boards, such as the Idaho Health Care Association, Oregon Health Care Association, American College of Health Care Administrators, and St. Francis Foundation. He also has served as a preceptor for a number of new nursing home administrators and currently serves as director of not-for-profit Servants Incorporated. He volunteers in youth and church programs and especially enjoys coaching youth soccer, baseball, and basketball teams. He has made two trips to New Orleans to assist with post-Katrina restoration.

Brian holds a Bachelor of Science in Business Administration from Portland State University. He is a licensed nursing home administrator.

Brian and his wife, Diane, have five children. Cycling, hiking, camping, photography, and carpentry are just a few of the many sports and hobbies he enjoys.
