Jean Glanz

Director, Touchmark
Director, Touchmark Foundation

As a Director, Jean works with other leaders and board members to guide the development and overall management of Touchmark and the Touchmark Foundation.

From 2004 through 2007, Jean served as the chairperson of the Touchmark Foundation. Prior to that, she spent most of her career as administrator of Crestview, a skilled nursing and rehabilitation center in Portland, Oregon. She began working at

the center upon its opening in 1964 and left in 1997.

Jean received a Certificate in Nursing Home Administration from Portland State University in 1969 and participated in Oregon's first state license exam for the industry. She has been active in the American College of Health Care Administrators (ACHCA), holding state, regional, and national offices. In 1988, her peers chose her to receive the ACHCA Distinguished Administrator Award. This honor is presented annually to one of the 6,500 administrators throughout the U.S. and Canada.

In her free time, Jean enjoys traveling, gardening, being involved with her church, and spending time with her friends and family, especially her grandchildren. She also volunteers her free time with Medical Teams International.
