

## **Kevin Tomlinson**

**Vice President, Corporate Controller  
Touchmark**

Kevin oversees all accounting functions, including internal and external financial reporting, tax reports, and annual audits. In addition, he is responsible for establishing accounting and operational standards that enhance Touchmark's overall performance. He also assists with contract management and financial underwriting for new development projects. Prior to this position, Kevin served as Touchmark's Vice President of

Management and Accounting Efficiency. He joined Touchmark in 2003.

From 1997 to 2003, Kevin served as the Vice President of Reimbursement and Business Planning at Fountains Retirement Communities, Inc. in Tucson, Arizona. While at the Fountains, he was responsible for all third-party reimbursement (Medicare and Medicaid) and compliance-related issues for the company's skilled nursing facilities and home health agencies. He also managed the acquisitions and budgeting functions and assisted in the development department in financial underwriting and feasibility studies.

From 1994 to 1997, Kevin worked as a Reimbursement Consultant at Mariner Health Care in New London, Connecticut, where he managed Medicare and Medicaid reimbursement for inpatient and contract rehabilitation clients.

Kevin holds a master's degree in Business Administration with an emphasis in Finance. He also holds bachelors' degrees in political science and philosophy.

Away from work, he and his wife, Kate (a physician at Oregon Health & Science University in Portland, Oregon), spend most of their time with their daughter and son. Kevin enjoys playing golf and an occasional game of basketball. Mostly, though, he has spent the better part of the last few years working his way up the ranks of Aikido, a Japanese martial art.
