

Marcus Breuer

**Chief Financial Officer
Touchmark**

Marcus works with banks and private investors to arrange financing for new Touchmark communities. He also assists the Touchmark Development & Construction Company with real estate negotiations as well as serves on the board of the Touchmark Foundation.

Prior to joining Touchmark in 2004, Marcus worked at Intel as a Senior Capital Financial Analyst and as a Senior Buyer in Intel's Factory Equipment Division. He was responsible for guiding Intel's capital investments and ranked first throughout Intel worldwide in cash savings for three years. He negotiated several key corporate contracts, reducing costs and improving service performance.

Before Intel, Marcus served as a branch manager for Wells Fargo Bank for three years, placing in the bank's top quarter for the Northwest throughout his tenure.

Marcus holds a master's degree in Business Administration with an emphasis in Finance from Portland State University and a bachelor's degree in Business Administration with an emphasis in Marketing and Information Systems from the University of Washington.

Basketball, golf, softball, boating, and water-skiing occupy his time away from work. He also enjoys traveling with his wife.
