

PROFILE

Thomas Spelman

Vice President, Corporate Treasurer
Touchmark

As Vice President and Corporate Treasurer of Touchmark, Tom oversees the cash management activities, including accounts payable, accounts receivable, and banking relationships.

Prior to joining Touchmark in 2005, Thomas worked as a Controller for C3 Communications, Inc. and was responsible

for the accounting functions. Previous to that, he spent 17 years with US Bancorp as a Treasury Operations Supervisor and Senior Auditor.

Tom graduated in 1980 from Oregon State University with a bachelor's degree in Business Administration and Finance. At The School of Bank Administration at the University of Wisconsin, he received a degree in Audit Management. He is a certified bank auditor and Chartered Bank Compliance Officer.

Tom and his wife, Lorre, have two teenagers, Brittany and Tommy. Watching their sports games and driving them to and from practices occupy much of his time. Other interests include playing basketball, fishing, hiking, and camping.
